

Flag Capture

- Tear the pieces on the dotted lines
- Place the base tokens far apart and put the flags on them
- Place each player next to their colored base
- Place other business cards down as walls
- Players take turns flicking their pieces
- If a player hits the other team's flag they pick it up
- If a player hits someone on the other team the other player goes back to their base
- If a player with a flag is hit they drop the flag where they are and go back to their base
- The first team to bring the opposing team's flag back to their base wins!
